

# PLANNING 12

**Welcome to Planning 12:** If you are an adult who is completing the Adult Graduation Program, this online course will help you:

- *Sort out your graduation plans*
- *Identify your future dreams*
- *Learn about the world of work*
- *Discover ways to finance your journey and*
- *Get the facts about staying healthy and happy*

**There are five modules in Planning 12:**

- Module 1 - Preparing for Takeoff
- Module 2 - Future Destinations
- Module 3 - Ground Work
- Module 4 - Money, Money, Money!
- Module 5 - Alive and Well

**What resources will I need?**

All of the materials are online and there is NO textbook. There are various readings, videos, animations and simulations that are available online in the course.

**How long will this course take?**

This is a 4-credit course and you should expect to spend 100 – 120 hours to complete it.

**How will I be assessed?**

There are no tests in this course. However, there are 20 assignments that are worth 5% each for a total of 100%.

You will hand in your assignments electronically via a drop box in the course.

Each assignment includes specific marking criteria.

**Need help?**

You may get help in person, by phone and online.
