

Board of Education
School District No. 40 (New Westminister)
Inaugural Meeting & Information Session

P O S T P O N E D

The Board of Education for School District No. 40 (New Westminister) has announced the postponement of the first Public Information and Workshop Session scheduled for Tuesday, December 8, 2009 in order to ensure that full community involvement can be achieved.

The proposed date conflicts with school and community seasonal events which has resulted in low registration for the workshop. In order to achieve effective public engagement the Board decided it was appropriate to postpone the first workshop to January 9, 2010. The 2nd and 3rd workshops will proceed on January 13th and January 16th so the decision of the Board is not delayed by this postponement.

Additional information on registration and the workshop plan will follow. Information on the process will be posted on the School District website: www.sd40.bc.ca

The Board will proceed with its Inaugural Board Meeting at 6:00, December 8th, 2009 at Century House.
