

November 23, 2007

Dear Parents and Guardians,

This year we are launching a program called Coin-spiracy, which is an initiative that promotes kindness in the world. We are very excited about embracing this program because it teaches students about the importance of giving back with acts of kindness through self, the environment and the community.

On Thursday, November 29, 2007 we will be having an assembly to launch the Coin-spiracy Project. We have invited many community members such as the local fire department, our police liaison officer, our district Superintendent, Dr. John Woudzia and the mayor of New Westminster, Mayor Wright. We have also invited the Royal City Record to attend and report on the event.

Over the course of this year your child may be photographed, videotaped or interviewed during special events (i.e., assemblies, running club, carol evening, etc...) We require your permission in the case that your child's picture/video is used in the local paper, on our website (links to the Coin-spiracy site) and in the creation of our school video.

Please sign the attached release form and return it to your classroom teacher.

Thank you for your support in advance. If you have any questions please feel free to contact Ms. Jones.

Sincerely,
The Lord Tweedsmuir Staff

Please detach this form and return to your child's teacher by Wednesday, November 28, 2007

School District No. 40 (New Westminster)
