

*Monday, September 22, 2008*

*Dear Parents and Guardians,*

*Senior Choir will be starting on Tuesday, September 30 and this session will run until Christmas break. It takes place in the music room from 7:55 until 8:45 in the morning. All interested singers in grades 4 – 7 are welcome to attend. We start and finish promptly and regular attendance is important.*

*Students in Senior Choir are from many different classes so if we could set up **e-mail** and **phone lists** it would be very helpful for communicating with singers and parents. If each family could provide an e-mail address and phone number it would be of great help.*

*Notices and **permission forms** will often be placed on our school website and can be accessed there if they get misplaced. We are not able to take students on field trips without parental permission.*

*It would also be helpful to have a couple of **choir parents** volunteer to assist us. We often need help with our various field trips and other organizational matters.*

*Please return this notice to Mrs. Leigh or M. Laforest as soon as possible. There is a folder where returned notices can be placed outside the music room.*

*We look forward to working with another fabulous group of singers this year!*

*Musically speaking,*

*Mrs. Leigh and Monsieur Laforest*
